Notice of postponement about the 14th China International Battery Fair

Dear exhibitors, partners, buyers and friends:

The 14th China International Battery Fair (CIBF2020), organized by China Industrial Association of Power Sources, was originally planned to be held in Shenzhen Convention & Exhibition Center from May 25 to 27, 2020.

The novel coronavirus is spreading all around the world. In order to protect the health and life safety of exhibitors, visitors and partners, and ensure the exhibition results of exhibitors at home and abroad, we solemnly announced that "the 14th China International Battery Fair (CIBF2020) will be postponed. As the schedule of Shenzhen Convention & Exhibition Center is full in 2020, CIBF2020 will be held in Shenzhen Convention & Exhibition Center between March and May 2021 (the specific date is under negotiation), and the exhibition venue, booth number and area of exhibitors will remain unchanged.

Since the epidemic outbreak, we have paid close attention to the situation of the epidemic, and kept close communication with exhibitors, partners and relevant departments. We fully considered the needs of exhibitors and buyers, and made the above decision of the postponement. We apologize for the inconvenience caused by the delay of the exhibition!

Thank you for your understanding and support as always. We are confident to present a professional exhibition in next year.

In the near future, we will release the detailed arrangements after the postponement!
